Joe's Jots

WCA Graduation. This year marks a significant milestone in the history of Winchester Christian Academy. The first ever group of seniors will be graduating in just a few days! WCA has come a long way in a short time—from two small preschool classes in the fall of 2007 to the first graduating class in May 2026. God has certainly blessed WCA in countless ways. And the work of the school would simply not be possible without the vision and continued generosity of many members of our church family. For that reason, everyone is invited to celebrate this momentous occasion. The first ever **Baccalaureate** will take place **this afternoon, May 17** at **4 PM** in our auditorium. And the first ever **graduation ceremony** will be this **Friday, May 22** at **7 PM**, also in our auditorium. Keep praying that God would change the lives of many young people and their families through the work of WCA.

New Sermon Series. Our shepherds often give me preaching suggestions. I'm thankful to collaborate with them on what you hear from the pulpit! Recently, one of them proposed that I preach about how to stand out and not be conformed to the ways of the world. Though we live and serve and witness *in* the world, God has called us "**out of the world**" (John 15:19, 17:15-16). He has called us to be different, to be transformed (Romans 12:2). What should this look like in our lives? That's what our current Sunday morning sermon series is all about! I'm glad you're here!

Wednesday Night Series. Our verse-by-verse study of Romans continues this **Wednesday** at **7 PM**. We'll be covering **Romans 6** this week. We have a few Scripture Journals left. Join us as we dig deep into God's Word!
