Morning Sermon: Stand Out | Daniel 1:19-20 (Alex)

6 PM Preview: Tough Passages: Who Are the Sons of God and Daughters of Man in Genesis 6? (Joseph)

Joe's Jots

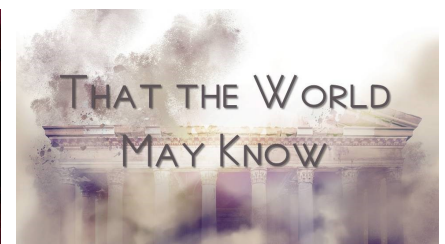

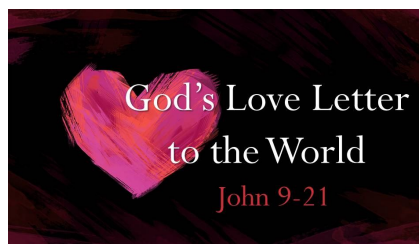

New Sermon Series. I'm excited to start a new series about Jesus next Sunday morning. To truly grasp the identity of our Lord, you can't start reading the Bible in Matthew. You must start in Genesis. You must be introduced to all the concepts and people who point ahead to the coming

Christ. Over the coming weeks, we'll be discovering "More About Jesus" and coming to love Him more as a result. I hope you'll join us!

Thankful. Over the past week, I have felt exceedingly grateful to belong to this church family. I feel thankful for my excellent ministry partner and friend **Alex Courington**. I am blessed to serve God daily alongside this good brother. I feel thankful to be attending a Bible class on Wednesdays. It's a blessing to not be expected to teach all the time. The preacher needs to be fed too! And I'm thankful for a congregation that rallies to one another's side during tragedy. I've witnessed an outpouring of love for several grieving families last week. I'm thankful!

Wednesday Classes. Two new adult classes began last Wednesday and will run through November! **Howard Kirksey** is teaching on the second half of the Gospel of John in a series called "God's Love Letter to the World." **Rick Bishop** is leading a video series called "That the World May Know" that will help us understand the world behind the Scriptures. This class will travel to Bible places and study topics pertinent to our Christian walk today. Join us on Wednesdays!
