### Joe's Jots

**Sermon Series.** Over the past few Sunday mornings, we've looked at Amos and Hosea. For our final two sermons in this series—today and next week—we'll be looking at the book of Micah. I have been blessed from delving into these often neglected Old Testament books. I hope you have been as well!

**Unity Service** is only two weeks away! Almost all the congregations in our county will be participating! Please sign up in the lobby to bring finger foods. The Owl Hollow church will also be bringing food. I am looking forward to worshipping in a packed house with brothers and sisters from all over the area! I hope this will be an uplifting evening for all.

## Bind Us Together

*Unity Service for Franklin County Churches of Christ*

**When?** Sunday, October 23, 2016  
Worship Service at 5 PM  
Finger Foods at 6 PM

**Where?** Winchester church building

**Nondenominational.** I try to follow trends in American Christianity. You've probably noticed that more and more churches are claiming no denominational affiliation. From 1998 to 2012, the percentage of congregations operating outside a denomination grew from 18 to 24 percent. As a result of this (and other factors), all of the major denominations in our country are shrinking. As more people are attracted to churches that are not connected to a denomination, it is high time we remind people that our church is nondenominational. Our congregation is autonomous, meaning we do not answer to a hierarchical church government. Our beliefs and practices come from the Holy Scriptures. We are led by shepherds who submit to the leadership of Jesus the chief Shepherd. We are a nondenominational church seeking to practice New Testament Christianity.

**PM Preview:** Alex preaches tonight at 6 PM. Join us!
