Morning Sermon: The Church's Authority | Mark 7:6-9

6 PM Preview: Singing Emphasis

Joe's Jots

New Series. Our Sunday morning sermon series on the church called "Restore" continues today. These important lessons are all about how we can become the church of God's intent, how we can "exemplify the church as it should be, today and tomorrow." Here's the line-up:

July 1	The Church's Teaching on Salvation
July 8	The Church's Mission
July 15	The Church's Relationships
July 22	The Church's Leadership
July 29	The Church's Worship
August 5	The Church's Lifestyle

Summer Series. This Wednesday, I'll teach one more session in the "Hot Topics" mini-series. My lesson is "What About Living Together Before Marriage?" and we'll dig into God's plan for marriage and sexuality. I'm thankful for the positive feedback after my lessons on drinking alcohol and gender identity. I strongly believe the church must be willing to tackle tough subjects with honesty and a desire to understand God's will. We must know how to engage our culture on "controversial" issues and continue "speaking the truth in love" (**Eph. 4:15**). Beginning in July, three guest speakers will be joining us for three mini-series—see the full line-up on the back page. Be sure to invite folks to join us! We will be richly blessed this summer on Wednesday nights. And one more thing: on Wednesday, July 4, we'll have a Homemade Ice Cream Social after Lonnie Jones' first lesson!

Weekly Proverb. "A fool takes no pleasure in understanding, but only in expressing his opinion" (**Prov. 18:2**). Yikes. According to this verse, I've been a fool on many occasions! In contrast, wise people are quick to hear and slow to speak (**James 1:19**). They do their homework and collect the facts before chiming in with their take. Let's be wise this week by seeking to understand *before* we express our opinion.
