TEACHING ROCKET

Ira North, the long-time minister for the Madison Church of Christ in Nashville, used to say, "As the Bible school goes, so goes the church." What he meant was that without strong, sound, and challenging Bible classes, a congregation will shrivel up and eventually die. Every church needs excellent Bible classes to grow and thrive. But excellent classes focused on God's Word are impossible without well-equipped and prepared teachers. The elders here recognize the need to train more of our members to teach, and to help make current teachers even more effective. For that purpose, we are hosting a teacher's training workshop called Teaching Rocket on **Saturday, January 20** from 9 AM to 2 PM. The instructor is Michael Whitworth. You can sign up for the workshop starting TODAY in the lobby! We believe this will benefit nearly everyone in our congregation: men and women, teachers for adults and kids, current and potential teachers, and even people who just wish to become better students of the Bible. This workshop will be free for all participants! Here's the schedule:

9 AM

Session 1: The Goals of an Education Program

10:30 AM

Session 2: Preparing and Delivering a Lesson

11:30 AM

Session 3: Keys to Better Bible Study
