INTRODUCING

ONE WORD

One Word. Our goal as a congregation for 2017 is to **Grow in the Knowledge of God.** To help accomplish this goal, we'll be using an excellent resource called *One Word*. It is a devotional book that we'll read (and that I'll preach on) throughout next year. *One Word* is divided into 53 sections, one for each week of 2017. Each week focuses on a different word from Scripture and includes five devotional thoughts about that week's word. Books will be available to you starting next Sunday, December 11 so we can hit the ground running in January. Many of you have already expressed excitement about this project. Please join me in prayer that God will use these books to increase our knowledge of Him. I'm confident that He will!

Sermon Series. I'm currently preaching on some amazing truths about Jesus found in the book of Colossians. Last week, we were reminded that Jesus is the supreme expression of God. He shows us who God is most clearly. Here's the schedule for the remaining sermons:

THIS MORNING: The Agent of Creation
December 11: The Revelation of God's Mystery
December 18: The Treasure Chest of Wisdom
December 25: The Hope of Glory
